West Meon & Warnford

June 2022

Past, Present and Future

As I write this I am waiting for a Zoom interview, a preliminary for an interview I shall be attending later this week. By the time you read this I may have had a move announced if I am offered the job and decide to take it, but I may not. I am applying for jobs in other parts of England and it all feels very strange!

I have so enjoyed my time with you all in the Upper Meon Benefice. For those of you who do not know what this comprises, it is Church-speak for the parishes of Langrish, Warnford, West Meon and East Meon, which covers a huge area geographically. Some of the most beautiful countryside sits within your borders and it has been an absolute pleasure to be allowed to minister to you all whilst I drive around trickling chalk streams, majestic hills, amazing Red Kites swirling on the thermals above Park Hill, sheep baaing in the meadows and the sound of children playing in the local schools.

You have taught me such a lot and been generous with your time but now I am called to look elsewhere for ministry however much I dislike change!

It feels very uncertain as I step out, not really knowing what I shall step into. In these Covid restricted and financially unsettled times you may think God calls us to change tack, to leave the past behind and to plough on into a new future which ignores the past, but our Bible is all about learning from the past as we bring it with us. Being at the same time mindful of the future as we dwell in the present.

Our stories are all a blend of how our parents shaped us, and theirs is a blend of how their parents shaped them. To this degree we live in the last century as well as this one. It is the looking forward which presents such a challenge. The world has changed so much, how can we possibly know how to be ready for the next twenty years let alone the next hundred as a church, a community, a nation?

The only answer is to lean on God and to pray. Bring our concerns to Him who can shoulder them, for heavens knows the burden is far too great for us at the moment. We are definitely 'looking through a glass darkly', seeing only vague outlines of what the future may hold. Looking backwards of course scientists predicted a Pandemic, but no one knew the timescale or sheer breadth of it. Most people had no idea we would be even slightly involved in a war going on in Europe at this time, looking into the future from last year.

Humility in planning, humility in moving forward is all we can have. I pray we can all achieve this and we may be allowed to get together in the future and marvel at how it has all turned out and see God's plan in the weft as well as the warp, which for now is hidden from us. Let us feel the freedom to reach into the future which enables us to continue to grow and learn, to develop as disciples of Christ and to deepen our understanding of what our mission is in this world; what particular thing or things we are all called to be or do for ourselves, for our neighbours and for a greater community. To bring God's values and compassion into a needy world.

Platinum Jubilee Celebrations

The Queen's Platinum Jubilee will be held at the Recreation Ground in West Meon on Friday 3rd June 2022 from 3.00pm until late. The whole event is FREE* and open to everyone.

All we ask is that you complete a very simple registration at the West Meon Village Shop, at <https://forms.gle/qMKspxXtVqnrKo5r5> or using the QR code so we can plan sufficient food etc.

We will have an afternoon of fun and festivities:

- "The Restless" youth Heptathlon, under 16
- A Children's Art Competition
- Tea & Cake in the Village Hall
- "Street" Rounders Competition
- "Bring your own" picnic
- A local craft market with selling: Jewellery, sweets, sculptures, cards, paintings, candles, liqueurs, handbags, skincare products and lots more.

And from early evening until late we have:

- A mix of live music into the evening including: "May Contain Nuts" and "The Old Gits"
- A hog roast cooked by the village's master butcher, Damon Buckingham.

West Meon Village Shop

The shop takes pride in sourcing fresh, seasonal, and local produce. Our vegetables come from local farmers and our artisan breads are baked especially for us daily.

This June we have an abundance of mouth-watering strawberries and wonderful asparagus. Why not try barbecuing our asparagus wrapped in Buckingham's streaky bacon - lightly charred asparagus wrapped in smoky, juicy bacon is a winner – with strawberries to follow.

Before getting in the car to go shopping, it is worth remembering that you can get everything you need from the shop - save petrol, save time and help save your village shop.

Rainfall records for April/May

We have had a remarkably dry Spring with April being unusually dry. After a wet start to April with 20.4mm in the first 13 days we then had only 1mm for the rest of the month so April ended with 21.4mm (0.84”).

May has continued in the same pattern until the 15th when we had 18.2mm. We have had some really pleasant days during early May, sunny and warm and to the 15th we have had 31.9mm.

The years total to mid May is 225.7mm. This compares with 256.3mm in 2021 so roughly an inch more in 2021 up to the same date. Looking out of the window as I write these notes the sky looks very threatening so who knows, apart from Tomasz Schafernaker, what will happen for the rest of the month?

Meon Valley Lions fundraising in full force

It was full steam ahead for the Meon Valley Lions Club fundraising in April - we had a brilliant response at every event we attended...

Photo: Beer festival banner and band

Wickham Charity Beer Festival

The Meon Valley Lions were pleased to support the Wickham Charity Beer Festival by serving party goers with a huge selection of ales on the Friday plus providing burgers and sausages on the Saturday. This year we raised an impressive £750. In addition to this, Wickham Charity Beer Festival kindly donated £1,000 specifically to assist with the upkeep of our minibus which is used for local lunch and other clubs, helping people to meet and socialise. We'd like to say a huge thank you to everyone who supported and particularly Wickham Charity Beer Festival for the much needed funds to maintain our minibus.

Bishops Waltham Charity Garden Fete

Lions were back over the Bank Holiday Weekend at the Bishops Waltham Charity Garden Fete - a brilliant day with over 400 sausages, burgers or bacon rolls eaten; we raised over £1,000.

East Meon Country Fair

We were also out 'Playing our Cards Right' at East Meon Country Fair - it was lovely to see families out and about enjoying themselves. These events are always as much fun for us as it is for those playing so if you'd like to join the fun, get in touch. We raised £85.00; at £1 a go,

with two lucky winners, wining £10 each, we had lots of punters trying their luck.

Swanmore Village Fete – Saturday 9th July
from 12 noon.

Preparations are going well for our annual fete which will be held in the Swanmore Recreation Ground. One thing we're really excited about is a Spitfire fly past, so don't forget to put the date in your diary. In the meantime start grooming your 'best friends' to take part in the Dog Show. During the next few weeks, more details will be published on our Fete website page plus there will be social media postings, to keep you updated on developments.

Calling all stallholders! We are still taking bookings for pitches, so if you would like to take a pitch, please get in touch – call us on 07443 753780 to go onto our website.

Help required! The Lions' Swanmore fete takes a lot of time and effort to plan and we need dozens of people to help us make the event work on the day. If you can volunteer for a few hours setting up the field, manning the gate or running a stall, we'd love to hear from you. Its great fun and who know, you might decide to become a member. Drop us your details via the contact us page on the website or email: info@meonvalleylionsclub.org.uk.

West Meon C of E Primary School

All schools are now adjusting to 'normal' now the worst of the pandemic is over and that includes returning to government testing, but we ensure that the mental health of our pupils is first and foremost. Our broad and balanced curriculum remains the same and the whole child remains at the centre of our ethos.

Year 6 have just sat their SATs papers and did really well, but our focus is their residential at Fairthorne Manor the week after, where they will abseil, kayak, paddleboard, raft build and learn skills in archery and general team building. We have high expectations for them academically in the core subjects, but those are not the only talents our children need developing. After half term they will begin practice for the summer play and prepare for sports events such as our Small Schools Football Tournament and traditional Sports Day. They will also take part in transition days to their secondary schools and we will celebrate their time with us at our Leavers Service at the end of term.

Similarly, our Year 2s have Secret Agents Tasks (SATs), which again will not impact on them with any worries, but will show their potential and progress within a broad programme of activities.

Year 1s will undergo Phonic screening without really realising it, as it is part of their curriculum, and Y4 will be the first cohort to take the new times table tests.

Again, Year 4 are looking forward to their trips to the QE Park to take part in team building skills and the Hawk Conservancy to be thrilled by the bird displays on offer. Y1 /R have a trip to Birdland to look forward to and Y5 have a week of nature activities at their Stubbington residential.

The whole school entered the art competition as part of the Queen's Jubilee celebrations in the village and are busy decorating jam jars for our stall at the village fete. FOWMS have invited all the children to a Queen's Jubilee Afternoon Tea before we break up for half term and older children will be helping with games at the village celebrations.

Rheba Cole in Y5 and Daisy Hillier in Y4 are preparing their stall for Cancer Research. As we break up they will be selling ice creams and other items to raise money for this cause, which is close to our hearts after losing Kathryn Davis to this cruel disease.

We have welcomed Otilie Elizabeth Massey Hocquard, who was born to our Y2/3 teacher who had literally just gone off on maternity leave and both mum and daughter are doing well.

We are also welcoming our new Year R children to story times and our changeover day next half term, as well as their parents to a coffee morning to meet the current Year R parents. We await news of Ukrainian children, who we hope will join us too. We still have a few places left for September 2022 for Year R and across a couple of year groups.

LET'S GET INVOLVED

Protecting the nest generation

The breeding season for birds has just begun – it roughly lasts from March until August – and it's a crucial time of year for our feathered friends.

If you think of a bird's nest, you may picture a lofty eyrie in a tree or the side of a cliff or perhaps an intricate roost nestled within a hedge. But lots of birds lay their eggs in nests on the ground and for many reasons these require extra special protection.

Many of our ground nesting birds are in worrying decline, including nightjar, woodlark, lapwing and woodcock. As well as habitat loss and climate change, one of the main threats these rare species face is from disturbance.

The ground nesting nightjar boasts extraordinary camouflage © David Tipling/2020VISION

Naturally, nesting on the ground means these birds and their eggs are incredibly vulnerable to predators. Yet, millennia of evolution have allowed them to evade such threats.

One method is camouflage; for example, coastal ground nesting birds lay eggs that are patterned like pebbles among rocks on the

shoreline. Other birds are extremely skilled at hiding their nests, like curlews and skylarks, which make hollows in long grasses.

However, disturbance from humans and, more often, dogs is a key factor in the demise of ground nesting birds. Even the most well-behaved dog can seem like a big, scary predator to a ground nesting bird if wandering off path. Dogs can unwittingly trample eggs or scare adult birds off their nests, leaving chicks vulnerable to cold, starvation and predators.

The best way responsible dog walkers can help ground nesting birds when visiting nature reserves during breeding season is to keep dogs on a short lead.

Other important things you can do to help include:

- Sticking to the footpaths on all our nature reserves. This is especially important in forests, heathlands and coastal areas.
- Respecting the signage at our nature reserves, alerting you to the presence of ground nesting birds.
- If you spot signs of distress from birds (like loud alarm calling, flights back-and-forth or even dive-bombing), back away and take an alternative route.
- Bagging and binning dog poo. Poo can affect wildlife and alter the habitats of ground nesting birds so dispose of it properly.
- Telling others about the need to be aware of ground nesting birds when visiting nature

reserves.

Hampshire & Isle of Wight Wildlife Trust's nature reserves are havens for wildlife, including rare ground nesting birds. Please follow these guidelines in all nature reserves. For more information visit hiwwt.org.uk.

West Meon Wine Society

Save the Date – Next wine tasting event – Friday 29th July

Our next wine tasting evening will be held in West Meon on Friday 29th July. The event will be held either in the newly refurbished Sports Pavilion or in the Village Hall.

At the end of March we held an Iberian Wine tasting evening in West Meon Village Hall, a light hearted informative tasting of interesting wines from Spain, Portugal and beyond with

a selection of traditional Spanish fare to compliment this region.

More than 200 bottles were sold in the days following the Iberian event, worth almost £4000. The top 3 wines sold were as follows:

1. Calzadilla, Castilla y Leon, 1999
2. Quinta da Fonte Souto Branco DOC Alentejo 2019
3. Jimenez-Landi El Corralón, DO Mentrída 2019

West Meon Wine Society is a not-for-profit organization, and every purchase supports the West Meon Village Shop so that it can continue serving our cherished community. If you'd like to buy our wines, or become a member, please go to www.westmeonwine.co.uk.

In addition, there will be local exhibitors to support the day's activities. This popular event will be attractive to all those interested in dolls' houses and accessories. For more information, please contact the Community Manager on 01420 82802 or email alton.museums@hampshireculturaltrust.org.uk. FREE ENTRY. (Donations welcomed.)

As a taster for Dolls' House Day, we are currently displaying a small layout of "feather" furniture in the Childhood Gallery - a 'bedstead, table and six chairs - all made of feathers, which belonged to the late Mr Wooldridge, lawyer, of Winchester, and said to have been in his family for 200 years.' Mr Wooldridge was probably Charles Sylvester Wooldridge who died in the Spring of 1941, aged 82. He was born in Winchester in 1859 and his father, Charles Wooldridge, was also an attorney and solicitor and born in the city. His mother was Margaret Sophia Bromley of Southampton. I suspect that the '200 years' is a bit out, hence the use of 'said to have been'. (Thanks to Local Historian Jane Hurst for Accession info.) *Jill Line*

Damage to Recreation Ground bench

WMPC will NOT tolerate damage being done to village property such as the bench at the recreation ground in the week beginning 9th May. This matter will be raised with the police. WMPC will always seek to prosecute for malicious damage to recreation ground property.

WMPC Purchased an outdoor table tennis table and had it installed for Public use, this was vandalised by someone scratching offensive words into the tables surface.

Cross Memorial

I think you will all agree how impressive the War Memorial looks after a good clean.

Bonfires

The law Under the provisions of the Environmental Protection Act 1990 states that smoke caused by bonfires may be a statutory nuisance and the City Council has powers to take action against those who create a nuisance or allow it to happen. Private individuals are also able to take their own action by complaint to a magistrates' court. Bonfires which are on land near to roads and causing an inconvenience or a danger to passers-by can also be an offence under the Highways Act 1980.

Elections

The local elections took place on 5th May. Due to the purdah rules, no major decisions were permitted to be made by Winchester City Council during the election campaign, so this report is by necessity rather short.

Following the elections, the Liberal Democrats remain in control of the council, with the make up of the council comprising 27 Liberal Democrats, 15 Conservatives, 2 independents and one Green Party councillor. Locally, Neil Bolton (details opposite) was elected to replace Laurence Ruffell who has retired from the Council.

Drink to Music

On July 2nd 2022 at 7.30pm the Armonico Consort will be at All Saints' Church, which is in Botley, accompanied by Oz Clarke, wine expert, author and TV presenter, as part of their programme investigating the relationship between alcohol, music and humans over the centuries.

Oz will host an evening of music, beer, wine, incredible facts and blunt fiction.

Tickets are £20 each and the drinks that Oz will discuss will be available to purchase on the night.

Tickets can also be bought online at Ticketsource.com, by contacting botleymusic@gmail.com or in person from David Burgess and other Botley Music Festival members at the church.

Robert Goulson

Petersfield Youth Theatre

We have another term of Weekly workshops about to start. The workshops are a great way to engage in PYT outside of our productions and projects during term time. They have been introduced into the PYT creative programme to give our members more opportunities to embrace all things theatre, to make new friends and gain the confidence they need for everyday life.

Following the huge success of last year's Summer project – CATS - we are delighted to be offering a similar project this year. 'Joseph and the Amazing Technicolor Dreamcoat', will be rehearsed over two weeks, with performances at the end of the second week. The rehearsals and performances will all take place at Bedales School. Older PYT members will be given the opportunity to play the iconic characters, with younger members performing many of the well-known songs.

For all details and booking, go to our website pyt.org.uk.

Plants from the garden steps

Once again so many thanks to everyone who has bought plants from our doorstep. As the money is going to the Church this year, the amount accumulated now will be added to the total of the plant stall and given in after the fete as I am doing the stall with Helena again.

Thankyou again for your contributions.

W.I. Report

We held our AGM on the 9th May at West Meon Village Hall and our outgoing President, Berry Preece, gave a report on the previous year. Berry said that we, as with many other organisations, had had a difficult time holding everything together during the Covid period, with many meetings having to be postponed, and indeed some cancelled at very short notice. However, we have come out of it stronger and fitter, with a new President, Angie Trenchard, and a new Committee voted in with the help of a W.I. adviser to oversee the procedure, which was very useful. Both Berry Preece and Pat Birch who were resigning were thanked for their sterling service to the West Meon W.I., particularly in the trying times of the last couple of years. Berry's husband, Rodney, had devised an excellent varied Quiz to get our brains working hard before embarking on a lovely tea!

Our next outing is The Gilbert White House and Garden at Selborne at 2pm on Tuesday 31st May and we are all looking forward to this interesting visit.

Our next meeting is on Monday 13th June at 1.45pm at West Meon Village Hall and our speaker is Jonathan Jones. The title of his talk is 'Rudyard Kipling - A little something of myself'. On the 18th July the annual Garden Meeting will be held at our house at Woodlands at 2pm.
